"E-Commerce Consultancy", "E-Commerce Management", "Web Design", "Graphic Design" and "E-Commerce Consultancy" in Turkey's leading companies such as Istanbul Technical University, Gazi University, Collezione, Sözcü Newspaper, Happy Center. I worked on "Mobile Interface". Apart from these, I also contributed project-based support to hundreds of companies. I won certificates by participating in industry meetings and trainings of Google and Adobe. Apart from design activities, I have given seminars and consultancy in many Universities.

*In my professional life, I am ready for new projects with all the experiences I have had.*
